

March 2018

HIDDEN TRAIL – ENGINEERED FOR THE OUTDOORS

Keep your feet comfortable while you tackle the trails in FALKE's sport specific Hidden Trail running socks. Special features ensure optimum fit and functionality.

Engineered for the outdoors, the sock offers full foot cushioning to protect feet for a more comfortable run; a nifty heel tab to prevent slipping and additional arch support to keep socks in place.

The FALKE Hidden Trail is just what you need on the trails. It offers stability and support with mesh panels for ventilation and reinforced heel and toe for durability.

Now available online from www.falke.co.za at R75 in sizes 4-7 or 8-12 just in time for the 2018 FALKE Trail Run Series, which consist of five events, starts this Sunday (18 March) at Morgenhof. Enter online at www.dirtopia.co.za
