TAKE RUNNING IN YOUR STRIDE WITH FALKE

FALKE, South Africa's leading sport sock manufacturer, has added STRIDE to their expansive range of Advance Performance running socks.

If you are a fan of FALKE's neutral run, you will love the revolutionised STRIDE. The full foot cushioning and support combined with the ergonomic left and right foot fit, provides ultimate wearer comfort.

FALKE's trademark Drynamix fibre will keep feet cool and dry while mesh panels aids ventilation and the seamless toe design help prevent blisters. Advanced elasticated stabilising technology offers additional support in strategic places.

The new FALKE STRIDE is available in two styles - the hidden or anklet in a choice of five colour ways in sizes 4-6, 7-9 and 10-12. Also available in size 13-15 in white only.

FALKE STRIDE is available at selected outlets as well as online at www.falke.co.za at R85 for the FALKE STRIDE hidden and R95 for the FALKE STRIDE anklet.

Be sure to follow us on social media and tag or share your favourite running pics with us #FALKERUN #FALKESTRIDE @FalkeSA on Facebook and Twitter and @falke_sa on Instagram.
